North Branch Purchases Tax Credits for Lamprey Health Care Center

(Nashua, NH) On November 30th, Lamprey Health Care celebrated the launch of their new location built by North Branch Construction with a ribbon cutting ceremony. The addition and renovation of the former Home Health & Hospice Building located at 22 Prospect Street in Nashua is now home for the new Lamprey Health Care center.

North Branch is also pleased to contribute a \$25,000 donation to Lamprey through the Community Development Investment Program. This program is designed as a fundraising tool for nonprofit community development organizations, cooperatives, and municipalities to raise much needed money for their causes. This donation marks North Branch's third year in a row purchasing tax credits on behalf of their not-for-profit clients.
