### **NORTH BRANCH COMPLETES CONSTRUCTION OF PARMENTER PLACE**

(Concord, NH) North Branch Construction, Inc. of Concord, NH has completed construction of new workforce housing in Concord, NH. Parmenter Place is a rental community consisting of six buildings with twenty-five two and three bedroom apartment and townhouse units for a total of 27,600 square feet. The wood framed buildings feature vinyl siding, asphalt roof shingles and were built using energy efficient green building techniques. The buildings have received certification from the US EPA Energy Star program and Silver Level Green Home Certification from NAHB Resource Center. Three of the buildings include 2 units each with the remaining three buildings ranging from 5 to 8 units in each. There is also a community laundry room.

The buildings are owned by the Concord Housing and Redevelopment Authority and were designed by architectural firm Burnell-Johnson of Manchester, NH.

North Branch Construction, Inc., one of the largest construction firms in the State of New Hampshire, has been serving their clients construction needs since 1958. Recent projects include additions and renovations of the Sullivan County Community Corrections Center in Claremont, NH, the Dalianis House (conversion of former furniture store into Veteran's Housing) in Nashua, NH and the new Windy Hill School at Colby Sawyer College in New London, NH. Current projects include a new multi-purpose building for the Governor Wentworth Regional School District – Kingswood Regional Schools as well as the additions and renovations of the three schools (vocational, middle and high school) on the Kingswood Regional Schools Campus in Wolfeboro, NH; the new Northeast Rehabilitation Hospital in Portsmouth, NH; and a new DPW Building for the Town of Sutton, NH.
